

**BISTRO™** TABLE

PRODUCT DATA

# BISTRO™ TABLE

PRODUCT DATA

The **Bistro Table** brings people together in café settings, courtyards and break areas. Designed to project a relaxing, informal ambiance, the distinctive Y-shaped column uses two table tops set at different heights and is sized for comfortable use from a standing posture. 100% stainless steel construction ensures outstanding durability, indoors or out. Freestanding or surface mounted bases are available and an umbrella stand may be specified as an option.

## MATERIAL & CONSTRUCTION DETAILS

## STAINLESS STEEL TABLE TOP FINISHES

Stainless steel is available in a variety of distinctive finishes, including standard and High-Durability options. High-Durability finishes—designated by the "HD" logo below—are manufactured in a process that creates a work-hardened surface with enhanced resistance to abrasion and wear.

SANDSTONE

DIAMOND

SATIN

**LEAD TIME:** 6 to 8 weeks. Shorter lead times may be available upon request. Please contact us to discuss your specific timing requirements.

**PRICING:** Please contact us at **800.451.0410** or **sales@forms-surfaces.com**. At Forms+Surfaces, we design, manufacture and sell our products directly to you. Our sales team is available to assist you with questions about our products, requests for quotes, and orders. Territory Managers are located worldwide to assist with the front-end specification and quoting process, and our in-house Project Sales Coordinators follow your project through from the time you place an order to shipment.

**TO ORDER SPECIFY:** Quantity, model, finish for table tops, finish for base, freestanding or surface mount, with or without umbrella stand. Quote/Order Forms are available on our website to lead you through the specification process in a simple checkbox format.

**NOTE:** Because different computers will render colors and textures differently, actual colors and finishes may vary from those shown here.
