

CADENCE™ CABINET PULLS

PRODUCT DATA

CADENCE™ CABINET PULLS

PRODUCT DATA

As part of the Cadence Collection, Cadence Cabinet Pulls make it easy to carry a design theme throughout an installation. The cabinet pulls, along with the Collection's coordinating door pulls, are cast of solid stainless steel or bronze. Sophisticated finishing techniques accentuate each pull's fluid curves and ensure an inviting, comfortable grip.

PRODUCT DETAILS

The following applies to all Cadence Cabinet Pull designs shown below.

MATERIAL & FINISH			INSTALLATION	MAINTENANCE
Stainless Steel	US32	Polished Stainless Steel	Cadence Cabinet Pulls are designed to be used with 3/4" (19mm) thick cabinet doors or drawers and are installed using 8-32 x 1" long screws (included with order).	Cadence Cabinet Pulls are well-suited for interior or exterior use. Regular maintenance will help ensure the lasting beauty of each pull.
