

Social Connections

TANGENT RAIL SEATING

FORMS+SURFACES®

social connections

Tangent takes a modern approach to connecting people in social settings. Rails have a unique hexagonal profile and seats offer a variety of visual options. Designed to stand alone or be linked in continuous runs, Tangent's style is hard to beat.

Tangent Rail Seating

Elements: rail with 1–5 backed or backless seats

Rail: powdercoated aluminum

Seat Frame: powdercoated aluminum

Seat Material Options: stainless steel with or without perforations, extruded aluminum slats, or FSC® 100% Ipé slats

Installation: freestanding or surface mount; can be linked for continuous runs

Four-seat configuration with FSC® 100% Ipé hardwood slat seats (extruded aluminum slats shown on cover)

Three-seat configuration with perforated stainless steel seats

Coming soon: Tangent light bollard, table ensemble, and pole/wall mounted litter and recycling receptacles
