

MODULAR DOOR PULLS

PRODUCT DATA

MODULAR DOOR PULLS

PRODUCT DATA

Clean lines. Crisp detailing. Stunning metal and finish combinations. Modular Door Pulls offer a wealth of design possibilities and make it easy to create a custom look at a standard price. In addition to numerous configuration options, grips and standoffs may be specified in matching or contrasting metals and finishes. The collection's versatility makes it ideal for settings where multiple materials are already present.

MATERIALS & FINISHES

INSTALLATION & MAINTENANCE

STAINLESS STEEL		BRASS		*ANODIZED ALUMINUM	INSTALLATION	MAINTENANCE
US32	Polished Stainless Steel	US3	Polished Brass	Clear	<ul style="list-style-type: none"> Modular Door Pulls may be single mounted on wood or metal doors. They may be mounted back-to-back on wood, metal or glass doors. Modular Door Pulls are installed using Mounting System "C". A thread-locking adhesive such as Loctite® is recommended for secure installation. Refer to Mounting Options C1, C2, C3, C4 and C5 shown below for additional information. 	<ul style="list-style-type: none"> Modular Door Pulls are well-suited for interior or exterior use. Regular maintenance will help ensure the lasting beauty of each pull. For more information, please refer to <i>Door Hardware Care & Maintenance</i> found on our website.
US32D	Satin Stainless Steel	US4	Satin Brass	Black		
*Clear and black anodized aluminum is available for DP6121 standoffs only.						

MOUNTING OPTIONS

C-1 Back-to-back mount on wood or metal door with shoulder bolt.	C-2 Concealed single mount on aluminum frame door with shoulder bolt and customer's reinforcement.	*C-3 Concealed single mount on wood door with shoulder bolt and threaded insert.	C-4 Back-to-back mount on glass door with shoulder bolt.	C-5 Single mount on wood or metal door with through bolt.
*Forms+Surfaces offers but does not recommend concealed mounting on wood doors. Frequent or heavy use can compromise the integrity of this mounting.				

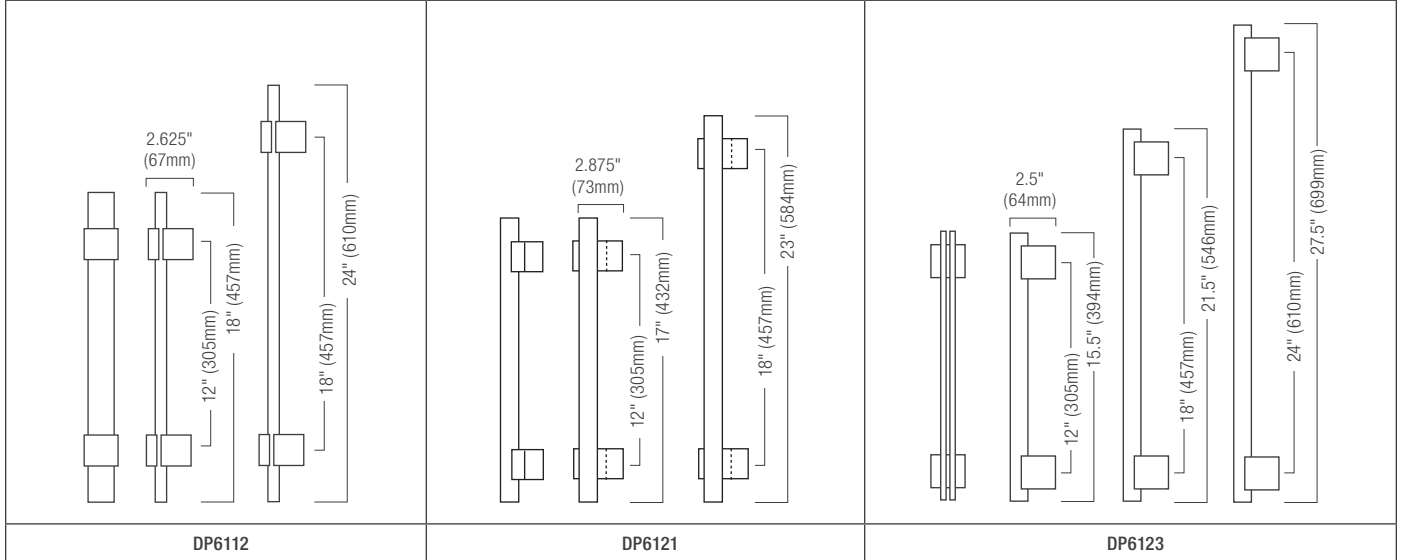

For more information on mounting Modular Door Pulls, please refer to the *Hardware Installation Instruction Manual* found on our website.
