IMAGE INTERLAYER

Please choose **one** interlayer option and provide details below.

ZOOM IMAGE

ViviSpectra Zoom is a smart solution when you want to incorporate photographic imagery of nature into your design, but don't have, or can't use, your own photography. With Zoom, you can browse a breathtaking range of images and select from our growing library of large-scale, super-high-resolution photos. Accessible through the Zoom Digital Darkroom – our interactive design tool that enables you to build your Zoom designs – Zoom images range from sweeping panoramic vistas to intriguing close-ups of the world around us. To view the full Zoom Image library, visit the Zoom Digital Darkroom at zoomdigitaldarkroom.com.

Image selection(s): _____
